HYSTEROSCOPY SURGERY OF THE XXIST CENTURY

You are invited to join the Workshop “**Hysteroscopy: Surgery of the XXIst century**” organized by the Society of Endometriosis and Uterine Disorders (SEUD) with the support of HOLOGIC® on **March 24th and 25th 2022, in Dubai.**

Thanks to a **prestigious international faculty**, you'll be able to join an exciting program with experts lectures on **guidelines of structural and non-structural HMB, updates and training on minimally invasive surgery.**

Most importantly, a **dedicated hands-on session** will be organized giving you access to simulators to improve your surgical skills.

SEATS ARE LIMITED !

**IF YOU ARE INTERESTED,
PLEASE CONTACT YOUR HOLOGIC®
