

5<sup>TH</sup> EDITION

FIND YOUR ALGORITHM

Peripheral Arterial VEnous  
THE WAY of vascular education

- 1 UNIQUE engaging informal format
- 2<sup>1/2</sup> DAYS of vascular full immersion
- 3 DIFFERENT scientific programs running in parallel

FEBRUARY 27<sup>TH</sup>

MARCH 1<sup>ST</sup>

ILEC CONFERENCE  
CENTRE, LONDON

SW6 1UD

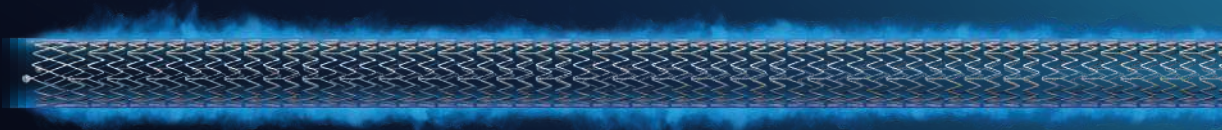

2025

FINAL PROGRAM

[WWW.FYA-CONGRESS.COM](http://WWW.FYA-CONGRESS.COM)

# ELUVIA™

Drug-Eluting Stent

## The NEW Standard of Care for Long Complex Lesions<sup>1</sup>

### SPORTS RCT: ELUVIA™ vs. BMS vs. DCB (1:1:1)<sup>1</sup>

#### PATIENT LESION CHARACTERISTICS:

- TASC: C/D
- Average length: >220 mm
- CTO: ≥70%

#### PRIMARY ENDPOINT: % DIAMETER STENOSIS IN LESION

12 Months  $p < 0.0001$

# GENERAL INFORMATION

## CONGRESS VENUE

ILEC Conference Center  
47 Lillie Road,  
SW6 1UD.  
London, United Kingdom

## CONTACTS

General organization:  
Aurélie Tourret - +33 6 09 10 54 16  
Alexia Gelineau - +33 6 27 06 32 32

Registrations:  
Lucille Sarafian  
registration-fya@comnco.com

## CONGRESS OPENING HOURS

Thursday, February 27th : **13h30 – 19h00 (1.30 PM- 7.00 PM)**  
Friday, February 28th : **9h00 – 18h00 (9.00 AM – 6.00 PM)**  
Saturday, March 1st: **8h00 – 17h00 (8.00 AM – 5.00 PM)**

## REGISTRATION

Onsite registration is available at the welcome desk.

- Registration for physician: 330€ (VAT incl.)
- Registration for industry: 440€ (VAT incl.)

## ABSTRACTS

The selected abstracts will be displayed on TV at the knife throwing arena. Abstract's winners will present their work on scheduled time. Please refer to the scientific program.

## GALA DINNER

FYA Gala dinner will be at the **Chelsea Football Club** at 19h30 (7.30PM)

If you haven't booked your ticket yet, book your seat at the Welcome Desk\* (77€)  
(\*places are limited)

## PREVIEW ROOM

Speakers, we kindly ask you to give your presentation on a USB key at the preview room **at least 2 hours before your talk.**

**SHOCKWAVE** | **E<sup>8</sup>**

# **THE NEW WORKHORSE FOR TACKLING BTK CALCIUM**

## **COMING SOON TO EUROPE**

Prior to use, please reference the Instructions for Use for more information on indications, contraindications, warnings, precautions and adverse events. [www.shockwavemedical.com/IFU](http://www.shockwavemedical.com/IFU)  
Please contact your local Shockwave representative for specific country availability.

**SHOCKWAVE**  
MEDICAL

## TAKE PART TO THE WORKSHOP ON PEDAL ACCELERATION TIME!

> Learn how to measure your revascularisation efforts with Jill Sommerset!

Register at the welcome desk and choose your slot\*:

Friday, February 28th: 9:30am, 11:30am & 2:30pm

Saturday, March 1st: 9:30am, 11:30am & 2:30pm

\*Maximum of 20 people only per slot - first come, first served basis

**THURSDAY FEBRUARY 27<sup>TH</sup>, 2025**

17:00

# WORKSHOP & SHARK TANK | DAY 1 | THURSDAY FEBRUARY 27<sup>TH</sup>, 2025

## 13:30 HANDS-ON WORKSHOPS

**Abbott**

- POAS & Supera in practice

**BD**

- Driving solutions for vessel preparation and treatment

- Jetstream, your tool to prep them all

- Are you sure you are seeing it right? Take a look through the eyes of IVUS

- Calcified Iliac Stenosis: to stent or not to stent?

- Change compliance to change the game in BTK intervention

**VP  
MED Group**

- How fast can you cross the lesion with a guidewire?

## 16:30 LIGHT COFFEE BREAK

## 17:00 SHARK TANK SESSION - SPONSORED BY VASCUPEDIA

17:00 A complete new way for drug delivery - **Michael Lichtenberg**

17:20 Measure it the correct way - **Jihad Mustapha**

17:40 The new vascular broadcast chapter - **Theodosios Bisdas**

18:00 Protect embolic complication - **Ryan Balko**

18:20 Accelerate perfusion analysis - **Jill Sommerset**

18:40 Minimally invasive suturing device for vessel closure and intracardiac repair - **Elchanan Bruckheimer**

## 19:00 END OF THE DAY

 **WeMed Technologies**

 **VASCUPEDIA**

 **NOVELRAD**  
Saccular Aneurysm System

# COURSE DIRECTORS

## COURSE DIRECTOR

**Lorenzo Patrone**

Consultant Vascular and  
Interventional Radiologist  
San Giovanni di Dio Hospital,  
Florence, Italy

## COURSE CO-DIRECTOR

**Stephen Black**

Consultant Vascular and  
Endovascular Surgeon Guy's  
and St Thomas' Hospital,  
London, United Kingdom

## COURSE CO-DIRECTOR

**August Ysa**

Consultant Vascular and  
Endovascular Surgeon Hospital  
Universitario de Cruces,  
Barakaldo, Spain

## COURSE CO-DIRECTOR

**Michael Lichtenberg**

Chief Medical Officer of the  
Angiology Department  
Vascular Centre Clinic,  
Arnsberg, Germany

## COURSE CO-DIRECTOR

**Michel Boisiers**

Senior consultant vascular  
and endovascular surgery  
University Hospital, Bern,  
Switzerland

# PERIPHERAL FACULTY

**George Adams**, UNC School of Medicine, Chapel Hill, USA  
**Tomas Baltrunas**, VUL Santariškių klinikos, Vilnius, Latvia  
**Shagran Binkhamis**, King Faisal Specialist Hospital and Research Centre, Riyadh, Saudi Arabia  
**Theodosios Bisdas**, Athens Medical Center, Athens, Greece  
**Amman Bolia**, University Hospital, Leicester, United Kingdom  
**Gonçalo Cabral**, Hospital Da Luz, Lisboa, Portugal  
**Emiliano Chisci**, Ospedale San Giovanni di Dio, Firenze, Italy  
**Patrick Chong**, Frimley Health NHS Foundation, London, United Kingdom  
**Giacomo Clerici**, Humanitas Gavazzeni Hospital, Bergamo, Italy  
**Raphael Coscas**, Hôpital Ambroise Paré, Paris, France  
**Gianmarco De Donato**, University of Siena, Italy  
**Athanasios Diamantopoulos**, Guy's and St. Thomas Hospital, London, United Kingdom  
**Anahita Dua**, Massachusetts General Hospital, Boston, USA  
**Stefano Fazzini**, Tor Vergata University, Rome, Italy  
**Luca Garriboli**, IRCCS Sacro Cuore-Don Calabria, Verona, Italy  
**Gilles Goyault**, Clinique Rhéna, Strasbourg, France  
**Emily Haworth**, NHS England, London, United Kingdom  
**Giacomo Iernia**, Hospital S M Misericordia, Perugia, Italy  
**Grigorios Korosoglou**, University of Heidelberg, Weinheim, Germany  
**George Koullias**, Catholic Health, New-York, United States  
**Ralf Langhoff**, Sankt Gertrauden-Krankenhaus, Berlin, Germany  
**Marta Lobato**, Cruces University Hospital, Bilbao, Spain  
**Kumar Madassery**, Rush University Medical Center, Chicago, United States  
**Lieven Maene**, OLV Hospital, Aalst, Belgium  
**Martin Malina**, London North West University NHS Trust, United Kingdom  
**Stefano Michelagnoli**, San Giovanni di Dio Hospital, Florence, Italy  
**Bruno Migliara**, Pederzoli Hospital, Peschiera del Garda, Italy

**Robert Morgan**, St George's University Hospitals NHS Foundation Trust, London, United Kingdom  
**Paul Moxey**, St George's University Hospitals NHS Foundation Trust, London, United Kingdom  
**Bahaa Nasr**, CHU Brest, France  
**Craig Nesbitt**, Freeman Hospital, Newcastle, United Kingdom  
**Gianbattista Parlani**, University Hospital Perugia, Italy  
**Ashish Patel**, King's College London, London, United Kingdom  
**Rafiuddin Patel**, University Hospitals, Oxford, United Kingdom  
**Mark Portou**, Royal Free Hospital, London, United Kingdom  
**Isa Rizk**, Reflow CEO, San Diego, USA  
**Trisha Roy**, Houston Methodist West Hospital, USA  
**Maria Antonella Ruffino**, Entre Ospedaliero Cantonale, Lugano, Italy  
**Athanasios Saratzis**, University Hospital, Leicester, United Kingdom  
**Sameh Sayfo**, Baylor Scott & White The Heart Hospital, Plano, United States  
**Peter Schneider**, University of California, San Francisco, USA  
**Eric Secemsky**, Beth Israel Deaconess Medical Center, Boston, USA  
**Michael Siah**, Southwestern Medical Center, Dallas, USA  
**Gioele Simonte**, University Hospital, Perugia, Italy  
**Jill Sommerset**, Washington State University, USA  
**Sabine Steiner**, Vien University Hospital, Austria  
**Selva Theivacumar**, London North West University NHS Trust, United Kingdom  
**Narayanan Thulasidasan**, Guy's and St. Thomas Hospital, London, United Kingdom  
**Giovanni Torsello**, St. Franziskus-Hospital Münster, Germany  
**Daniel Van Den Heuvel**, St. Antonius Hospital, Nieuwegein, The Netherlands  
**Badri Vijaynagar**, Glenfield Hospital N H S Trust, London, United Kingdom  
**Conrad Von Stempel**, St George's University Hospitals NHS Foundation Trust, London, United Kingdom  
**Hany Zayed**, Guy's and St. Thomas Hospital, London, United Kingdom

## PERIPHERAL | DAY 2 | FRIDAY FEBRUARY 28<sup>TH</sup>, 2025

### 09:00 INTRODUCTIVE LECTURE

EVAR pioneers: the exclusive video-documentary of Nicolai Volodos. **Lorenzo Patrone**

### 09:30 YOU CAN'T TREAT (CORRECTLY) WHAT YOU DON'T SEE

► Panel: Tomas Baltrunas, Shagran Binkhamis, Peter Schneider & Giovanni Torsello

- ▲ Seeing is believing: decoding endovascular failures to engineer success in PAD. **Trisha Roy**
- ▲ Dissections: how to recognise and to manage them effectively. **Eric Secemsky**
- ▲ From dissections to calcific lesions: what's your stent algorithm? **Ralf Langhoff**
- ▲ Stent occlusion: what are we fighting against and which tools do we have to succeed? **Gilles Goyault**
- ▲ Post operative therapy: one for all, all for one? **Anahita Dua**

11:30

### COFFEE BREAK - KNIFE THROWING ARENA

Tetraplegia as an extremely rare complication of endovenous stenting of the left iliac vein - **Marjolein De Decker**

12:00

### CROSS AND TREAT: FIND YOUR ALGORITHM

► Panel: Raphael Coscas, Bruno Migliara, Rafiuddin Patel & Gioele Simonte

- ▲ Guidewire escalation: Find Your Algorithm. **George Adams**
- ▲ Crossing long CTOs... how can we be quick and effective? **Gianmarco de Donato**
- ▲ You (finally) crossed your BTK calcific CTO: what's your treatment algorithm? **Lorenzo Patrone & Narayanan Thulasidasan**

13:00

### LUNCH BREAK - KNIFE THROWING ARENA

Spinal Cord Stimulation: a valid answer for non-reconstructable patients - **Tommaso Castrucci**  
Long Bare Stenting is yesterday - **Giovanni Torsello**

14:10

## THE TOUGHEST OF THE TOUGHEST: MY MOST INTERESTING CASE

► Panel: George Adams, Luca Garriboli, Paul Moxey & Maria Antonella Ruffino

- ▲ Iliac arteries: the importance of quick decision-making. **Gianbattista Parlani**
- ▲ Fem-pop district: the deep knowledge of your tools is key. **Lieven Maene**
- ▲ BTK segment: get it right the first time (especially) in challenging patients. **Ashish Patel**
- ▲ BTA isolated disease: the value of distal foot perfusion increase. **Marta Lobato**
- ▲ All the off the shelf p-DVA options for the «no options». **Bruno Migliara**

16:00

## COFFEE BREAK - KNIFE THROWING ARENA

Physician-modified endograft workflow utilizing the Medtronic Valiant platform to treat complex abdominal aortic aneurysms - **Artür Hüttl**

16:30

## SITTING BY THE FIREPLACE WITH VASCULAR INNOVATORS: THE MAGIC OF THINKING OUTSIDE OF THE BOX

► Panel: Patrick Chong, Emily Haworth, George Koullias & Selva Theivacumar

- ▲ HONORARY LECTURE - My life as an innovator: joys and sorrows. **Amman Bolia**
- ▲ Highlights from my 30-year career: all the wisdom which you can't learn from any book. **Peter Schneider**
- ▲ All the work behind having a new device on the table: my fascinating journey. **Isa Rizk**

### Knife masters at work

- 🔪 Open surgical zone: the secrets of a good bypass. **Gonzalo Cabral**
- 🔪 Open surgical zone: the secrets of minor amputations. **Giacomo Clerici**

18:30

## END OF THE DAY

19:30

## GALA DINNER AT UNDER THE BRIDGE, CHELSEA FOOTBALL CLUB

## PERIPHERAL | DAY 3 | SATURDAY MARCH 1<sup>ST</sup>, 2025

08:30

### CAN YOU HANDLE THE ALGORITHMS?

► Panel: Emiliano Chisci & Stefano Michelagnoli

- ▲ Who spends more spends less? How costs can affect your algorithm? **Athanasios Saratzis**
- ▲ Televascular Games: Aorto-caval fistula in critical patient. What's your algorithm?

Award sponsored by  
 **BIOTRONIK**  
excellence for life

09:30

### STRONGER TOGETHER

► Panel: Raphael Coscas, Robert Morgan, Gioele Simonte & Hany Zayed

- ▲ Do or Die: the SMA occlusion jungle. **Andreia Pinelo**
- ▲ Aorto-iliac occlusive disease and AAA: case-based discussion. **Stefano Fazzini**
- ▲ Vascular quiz. **Lorenzo Patrone & Michel Bosiers**

11:00

### COFFEE BREAK - KNIFE THROWING ARENA

HITTING THE TARGET - The Role of Targeted-Revascularization in Wound Healing in Diabetic Foot Ulcers - **Andreia Pinelo**

11:30

- ▲ Global Algorithm for the Endovascular Treatment of Chronic Femoropopliteal Lesions: An Interdisciplinary Expert Opinion Statement. **Grigorios Korosoglou**

11:50

### MUCH MORE THAN THROMBUS AND CALCIUM... WHY IS VESSEL PREP STILL UNDERESTIMATED?

► Panel: Sameh Sayfo, Peter Schneider, Giovanni Torsello & Badri Vijaynagar

### Find your Algorithm in the SFA-pop segment: case-based discussion

- ▲ Soft/thrombotic disease. **Mark Portou**
- ▲ Calcific lesions. **Theodosios Bisdas**

## Find your Algorithm in BTK segment: case-based discussion

- ▲ The disease above-the-ankle. **Michael Siah**
- ▲ The disease below-the-ankle. **Kumar Madassery**
- ▲ Complex multilevel disease case: the tricks to transform a great on-table result in a durable outcome. **Sabine Steiner**

13:30

### LUNCH BREAK - KNIFE THROWING ARENA

Leaving nothing behind.. more than slogan now that we have the right tools - **Michael Siah**  
Radial to peripheral: don't touch that groin. **Sameh Sayfo**

14:30

### THE ENDO-CFA TREATMENT: HOW IS OUR PRACTICE EVOLVING?

► Panel: Grigorios Korosoglou, Kumar Madassery, Martin Malina & Craig Nesbitt

- ▲ Leaving nothing behind is durable and safe. **Giacomo Isernia**
- ▲ Stenting is not evil. Why are we still scared? **Bahaa Nasr**

15:10

### THE HOTTEST TOPICS IN THE BTK WORLD

► Panel: Grigorios Korosoglou, Kumar Madassery, Martin Malina & Craig Nesbitt

- ▲ BTA vessels: how the choice of the correct material makes the difference in short- and long-term outcomes? **Daniel Van den Heuvel**
- ▲ "Stay still!": how to master nerve blocks independently can change your practice. **Conrad Von Stempel**
- ▲ Is any drug able to make a difference in terms of acute outcomes and long-term patency? **Athanasios Diamantopoulos**

16:10

### FINAL PEARLS OF WISDOM

► Panel: Athanasios Diamantopoulos, Mark Portou, Michael Siah & Hany Zayed

- ▲ Lesson learnt from my nightmare iliac case. **Raphael Coscas**
- ▲ Lesson learnt from my nightmare fem-pop case. **Hany Zayed**

17:00

### CLOSING COFFEE BREAK

# VENOUS FACULTY

**Efthymios (Makis) Avgerinos**, Athens Medical Center, Greece  
**Domenico Baccellieri**, San Raffaele Research Hospital, Milan, Italy  
**Kush Desai**, RUSH University Medical Group, Chicago, United States  
**Andrew Doyle**, Guy's and St. Thomas Hospital, United Kingdom  
**Mert Dumantepe**, Acibadem Altunizade Hospital, Istanbul, Turkey  
**Steve Elias**, Englewood Hospital, New Jersey, United States  
**Manj Gohel**, Cambridge Hospital, United Kingdom  
**Tobias Hirsch**, Ultraschall Academy, Saxe-Anhalt, Germany

**Taha Khan**, Guy's and St. Thomas Hospital, London, United Kingdom  
**Narayan Karunanithy**, Guy's and St. Thomas Hospital, London, United Kingdom  
**Gerry O'Sullivan**, University Hospital Galway, Ireland  
**Anna Pouncey**, Imperial College, London, United-Kingdom  
**Narayanan Thulasidasan**, Guy's and St. Thomas Hospital, London, United Kingdom  
**Andrew Wigham**, Oxford University, United Kingdom  
**Emma Wilton**, Oxford University Hospitals NHS Foundation Trust, United Kingdom

## 09:00 INTRODUCTIVE LECTURE - THE LORD OF THE LIMBS ROOM

- ▲ EVAR pioneers: the exclusive video-documentary of Nicolai Volodos. [Lorenzo Patrone](#)

## 09:30 ACUTE DVT SESSION

▶ Panel: Stephen Black

- ▲ Choosing to use mechanical thrombectomy. [Makis Avgerinos](#)
- ▲ Acute DVT - stent or no stent. [Narayanan Thuladisan](#)
- ▲ Clearing Clot with no lytic - using mechanical devices. [Domenico Baccellieri](#)
- ▲ When is it not DVT? [Narayanan Thulasidasan](#)
- ▲ Cost effectiveness of intervention. Help make the argument for treatment. [Anna Pouncey](#)

## 11:30 COFFEE BREAK - KNIFE THROWING ARENA

Tetraplegia as an extremely rare complication of endovenous stenting of the left iliac vein - [Marjolein De Decker](#)

## 12:00 SUPERFICIAL VEINS SESSION

▶ Panel: Makis Avgerinos

- ▲ What to use and when in superficial veins - my personal algorithm. [Steve Elias](#)
- ▲ Ablate or not to ablate - alternative treatment strategies and preserving the truncal veins. [Tobias Hirsch](#)
- ▲ What's new in veins - the future treatment algorithm HIFU. [Steve Elias](#)

## 13:00 LUNCH BREAK - KNIFE THROWING ARENA

Spinal Cord Stimulation: a valid answer for non-reconstructable patients - [Tommaso Castrucci](#)  
Long Bare Stenting is yesterday - [Giovanni Torsello](#)

14:00

## CHRONIC DVT SESSION

► Panel: Emma Wilton

- ▲ NIVL Case - making good decisions to avoid embolisation/migration. [Mert Dumentepe](#)
- ▲ Chronic Iliac Case - making sure you optimise inflow to the stents. [Mert Dumentepe](#)
- ▲ IVC Reconstruction - Filter in or out when its caused caval occlusion. [Kush Desai](#)
- ▲ Stent Maintenance and Occlusion. [Gerry O'Sullivan](#)
- ▲ A chronic and Acute case using the Venovo Venous Stent - do approaches differ between US and Europe?  
[Kush Desai/Stephen Black](#)

16:00

## COFFEE BREAK - KNIFE THROWING ARENA

Physician-modified endograft workflow utilizing the Medtronic Valiant platform to treat complex abdominal aortic aneurysms - [Artür Hüttl](#)

16:30

## PULMONARY EMBOLISM SESSION

► Panel: Kush Desai

- ▲ PERT Team who do you need and establishing the team. [Narayan Karunanithy](#)
- ▲ Filter when and when not and getting them out. [Kush Desai](#)
- ▲ PE Thrombectomy Case. [Narayanan Thulasidasan](#)
- ▲ PE Thrombectomy Case. [Andrew Wigham](#)
- ▲ Intervention Treatment for PE: Keep it Simple and Safe. [Fernando Gallardo](#)
- ▲ Anticoagulation and Medical Management of PE. [Andrew Doyle](#)

18:30

## END OF THE DAY

**08:30**

**CAN YOU HANDLE THE ALGORITHMS? - THE LORD OF THE LIMBS ROOM**

► Panel: Emiliano Chisci & Stefano Michelagnoli

- ▲ Global Algorithm for the Endovascular Treatment of Chronic Femoropopliteal Lesions: An Interdisciplinary Expert Opinion Statement. **Grigorios Korosoglou**
- ▲ Televascular Games: Aorto-caval fistula in critical patient. What's your algorithm?

Award sponsored by  
 **BIOTRONIK**  
excellence for life

**09:30**

**STRONGER TOGETHER - THE LORD OF THE LIMBS ROOM**

- ▲ Do or Die: the SMA occlusion jungle. **Andreia Pinelo**
- ▲ Aorto-iliac occlusive disease and AAA: case-based discussion. **Stefano Fazzini**
- ▲ Vascular quiz. **Lorenzo Patrone & Michel Bosiers**

**11:00**

**COFFEE BREAK - KNIFE THROWING ARENA**

HITTING THE TARGET - The Role of Targeted-Revascularization in Wound Healing in Diabetic Foot Ulcers - **Andreia Pinelo**

**11:50**

**ACUTE DVT SESSION 2**

► Panel: Steve Elias

- ▲ Acute DVT - decision when the clot involves the calf and femoral. **Kush Desai**
- ▲ Getting Patients to treatment what is the algorithm? **Anna Prent**
- ▲ Is Lytic totally dead? Treating patients with PMT and when I use lytic. **Kush Desai**
- ▲ Superficial veins - choosing the best ablation strategy and avoiding DVT. **Manj Gohel**
- ▲ Acute DVT - mechanical case. **Emma Wilton**

## VENOUS | DAY 3 | SATURDAY MARCH 1<sup>ST</sup>, 2025

**13:30** LUNCH BREAK - KNIFE THROWING ARENA  
Leaving nothing behind.. more than slogan now that we have the right tools - **Michael Siah**  
Radial to peripheral: don't touch that groin. **Sameh Sayfo**

### **14:00** CHRONIC CASE SESSION 2

► Panel: TBD

- ▲ Chronic Femoral disease case - Strategies for infrainguinal disease. **Mert Dumantepe**
- ▲ Stent Design Where next. **Taha Khan**
- ▲ IVC Reconstruction - Decision making in extensive occlusions. **Andrew Wigham**
- ▲ Mistakes, Errors and Lessons. **Stephen Black**
- ▲ Limited access and comorbid patients - managing complexity. **Manj Gohel**

### **16:10** FINAL PEARLS OF WISDOM - THE LORD OF THE LIMBS ROOM

► Panel: Athanasios Diamantopoulos, Mark Portou, Michael Siah & Hany Zayed

- ▲ Lesson learnt from my nightmare iliac case. **Raphael Coscas**
- ▲ Lesson learnt from my nightmare fem-pop case. **Hany Zayed**

**17:00** CLOSING COFFEE BREAK

# AORTIC FACULTY

**Said Abisi**, Guy's and St. Thomas Hospital, London, United Kingdom

**Michele Antonello**, University of Padua, Italy

**Colin Bicknell**, Imperial College Healthcare NHS Trust, London, United Kingdom

**Theodosios Bisdas**, Athens Medical Center, Greece

**Daniela Branzan**, University Hospital Leipzig, Germany

**Emiliano Chisci**, Ospedale San Giovanni di Dio, Firenze, Italy

**Raphael Coscas**, Hôpital Ambroise Paré, Paris, France

**Javariah Fatima**, MedStar Washington Hospital Center, United States

**Stefano Fazzini**, Tor Vergata University, Rome, Italy

**Fernando Gallardo**, Hospital Quironsalud Marbella, Spain

**Enrico Gallitto**, University of Bologna, Italy

**Giacomo Isernia**, Hospital S M Misericordia, Perugia, Italy

**Athanasios Katsargyris**, Athens Medical Center, Greece

**Igor Končar**, University of Belgrade, Serbia

**Drosos Kotelis**, University Hospital, Bern, Switzerland

**Ian Loftus**, St George's University Hospitals NHS Foundation Trust, London, United Kingdom

**Tara Mastracci**, Barts Heart Hospital, St. Bartholomew's Hospital, London, United Kingdom

**Giuseppe Panuccio**, University Heart and Vascular Center, Hamburg, Germany

**Kosmas Paraskevas**, Royal Free Hospital, London, United Kingdom

**Anna Prent**, Maastricht University Hospital, The Netherlands

**Vincente Riambau**, Hospital Clinic, Barcelona, Spain

**Fiona Rohlffs**, University of Hamburg, Germany

**Maria Antonella Ruffino**, Entre Ospedaliero Cantonale, Lugano, Italy

**Gioele Simonte**, University Hospital, Perugia, Italy

**Celia Theodoreli Riga**, Health Education England, London, United Kingdom

**Isabelle Van Herzeele**, Universitair ziekenhuis Gent, Belgium

## AORTIC | DAY 2 | FRIDAY FEBRUARY 28<sup>TH</sup>, 2025

### 09:00 INTRODUCTIVE LECTURE - THE LORD OF THE LIMBS ROOM

- ▲ EVAR pioneers: the exclusive video-documentary of Nicolai Volodos. **Lorenzo Patrone**

### 09:30 CHALLENGE ACCEPTED

► Panel: Colin Bicknell, Tara Mastracci & Drosos Kotelis

- ▲ My most challenging case: Arch repair. **Theodosios Bisdas**
- ▲ My most challenging case: BEVAR. **Gioele Simonte**
- ▲ My most challenging case: FEVAR. **Enrico Gallitto**
- ▲ My most challenging case: EVAR/IBD. **Emiliano Chisci**

11:30

### COFFEE BREAK - KNIFE THROWING ARENA

Tetraplegia as an extremely rare complication of endovenous stenting of the left iliac vein - **Marjolein De Decker**

12:00

### THE ALPHABET SESSION

► Panel: Athanasios Katsargyris, Maria Antonella Ruffino & Anna Prent

- ▲ B/CH/F/PM/ESAR/EVAR/IBD: which off the shelf devices do I need on the shelf? **Stefano Fazzini**
- ▲ Bridging Stentgrafts in B/CH/F/PM/EVAR/IBD: which ones should I use where. **Said Abisi**

13:00

### LUNCH BREAK - KNIFE THROWING ARENA

Spinal Cord Stimulation: a valid answer for non-reconstructable patients - **Tommaso Castrucci**

Long Bare Stenting is yesterday - **Giovanni Torsello**

14:00

## HOW TO DO IT

► Panel: Stefano Fazzini, Fernando Gallardo & Fiona Rohlffs

- ▲ How to do it: transfemoral and upper extremity approach in complex aneurysms. **Giacomo Isernia**
- ▲ How to do it: difficult target vessels in F/BEVAR: snare-ride, false lumen target vessel, embolisation... **Athanasios Katsargyris**
- ▲ How to do it: physician modified endografts AAA. **Javairiah Fatima**
- ▲ How to do it: physician modified endografts TAA. **Michele Antonello**
- ▲ Acute type B dissection: tips and tricks for treatment of malperfusion. **Vicente Riambau**

16:30

## COFFEE BREAK - KNIFE THROWING ARENA

Physician-modified endograft workflow utilizing the Medtronic Valiant platform to treat complex abdominal aortic aneurysms - **Artùr Hüttl**

17:00

## LET'S START DISSECTING

► Panel: Ian Loftus, Tara Mastracci & Isabelle Van Herzele

- ▲ BEVAR for aortic dissection and the use of membrane function. **Giuseppe Panuccio**
- ▲ Acute type B dissection: when TEVAR when Petticoat/Stabilise. **Igor Koncar**
- ▲ Chronic post-dissection aneurysm: FEVAR vs BEVAR. **Fiona Rohlffs**

18:30

## END OF THE DAY

## AORTIC | DAY 3 | SATURDAY MARCH 1<sup>ST</sup>, 2025

08:30

### CAN YOU HANDLE THE ALGORITHMS? - THE LORD OF THE LIMBS ROOM

► Panel: Colin Bicknell, Gioele Simonte & Isabelle Van Herzeele

- ▲ Global Algorithm for the Endovascular Treatment of Chronic Femoropopliteal Lesions: An Interdisciplinary Expert Opinion Statement. **Grigorios Korosoglou**
- ▲ Televascular Games: Aorto-caval fistula in critical patient. What's your algorithm?

Award sponsored by  
 **BIOTRONIK**  
excellence for life

09:30

### STRONGER TOGETHER - THE LORD OF THE LIMBS ROOM

- ▲ Do or Die: the SMA occlusion jungle. **Andreia Pinelo**
